MOMENTS OF YOUTH

Life is full of many exciting moments, yet none quite as exciting as those spent as a youth. During the years we have spent at GHS, there have been happy moments and sad moments. Our days have been filled with many hours of lectures and our evenings filled with endless hours of study. We search and will continue to search for knowledge and truth, for we realize that soon we will be the leaders of the world.

Youth Is Fellowship

Young people find fellowship and recreation to be very important in their lives. Work is important but so is having fun. Football and basketball games not only provide entertainment but also teach us good sportsmanship. Dances after the games give us time to relax and have fun. Quiet moments spent with close friends in discussions add a little spice to living.

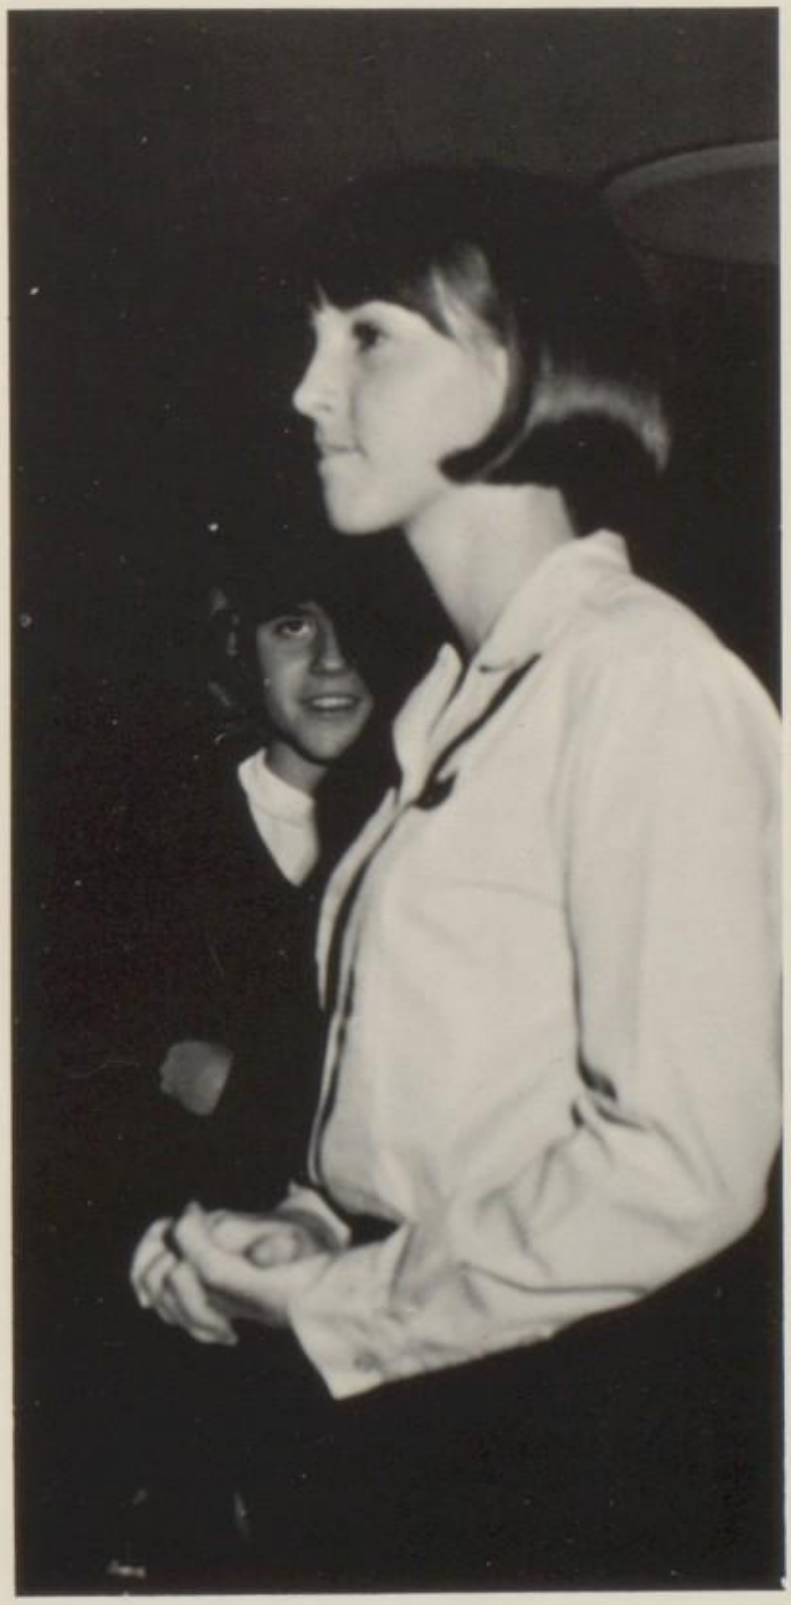
The World Is Ours

We can make it whatever we want it to be. All the beliefs we have now will be tested by society. Whether these beliefs withstand the test does not matter as much as the devotion with which we support them. We have often criticized adults for the things they have done and now we will be the ones to be criticized. We have been supplied with the education to go out in the world. It is up to us to put this education into practice.



The Future Is Our Goal

The ideals of youth are high and success is their goal. The problems of the world are their problems and a solution must be found. We, as students, must prepare ourselves to lead the land we love. As we leave high school we also leave the world of youth and enter the world of adults. But we will always have the memories of our Moments Of Youth.

Standing left to right are: Sue Yoder, Mike Phend, Nancy Garber, Kirk Sorg, and Christa Alexenko.

Girls and Boys State

As I look back on Hoosier Boy's State I remember and my feet remember many things. A total of 916 boys were indoctrinated in government, military life, and shaving cream warfare.

Our government education consisted of a short civics course and a practical experience in running our own government. This had some unexpected results in some cases, as most of us ended up in jail at one time or another.

I've tried to forget the military part but my feet won't let me. We marched everywhere and I mean "everywhere." Also, we received, upon arrival, a two page outline of the proper method of making a bed and cleaning a room. Our supervisors for this part of the program were some friendly army sergeants who felt the world would stop if there was a wrinkle in a bedspread.

The best way to sum up the after-hour activities of the different command groups would probably be to say that when an irresistible force meets an immovable object something has to give. In this case the rules lost. The result was the most tremendous shaving cream and water balloon fight ever recorded in the annuls of history.

It was an experience I will always remember. I learned a lot about government, I met some really great guys, and had a ball.

Sincerely,
Kirk Sorg

Homecoming 1967

It was a night of excitement and what could make it more complete than smiles and roses and the crowning of the Homecoming Queen. The Redskins battled for a victory against South Bend Riley, but couldn't quite make it.

At half-time the excitement nearly bubbled over. Betsy Bigler gave a short speech, then in a suspense filled moment announced the results of GHS Homecoming Queen 1967—Miss Janet Rogers.

The members of the court as shown from top to bottom are: Darlene Stouder—Soph; Randi Yoder—Jr.; Janet Rogers—Queen; Nancy Garber—Sr. Debbie Cripe—Sr.; Julie Himes—Sr.; and Nancy Bigler—Sr.

The GHS choir has found the new music room to be of great help in developing a well balanced choir.

Mr. Allen discusses the progress of the new biology lab with two of the workmen.

Life Is Full of Changes

This past year has been one of great change for Goshen High School. The music department acquired a new music room for the choir and orchestra. A new biology lab was added to facilitate more biology students. In addition to these additions the parking lot of GHS was finally paved and jokes about the parking lot have become a thing of the past.

Sweetheart Queen 1968

Hearts were happy and smiles bright when Miss Janet Hoke was crowned Sweetheart Queen of G.H.S. for 1968. The event took place after the Goshen-Riley game February 9.

The crowd danced to the sounds of "The Other End." Janet's escort was Joe Alberty. Members of the queen's court were Janet Rogers and Sue Elder.

Ulrich Zimmer came to us from West Germany. He has a variety of interests ranging from sailing to tennis and he collects stamps. Ulrich says he likes biology very much.

Lilli (Inga-Lill Malk), also from Finland says school is much easier here and so she has time to enjoy herself. She likes drawing, painting, writing, singing, cooking, and baking. She says she misses long hikes in the woods back home and deep snow.

Faculty Scalps Aces In Double Overtime! "74-71"

On February 15, 1968, the famous WOWO Air Aces were defeated by Pappy's frolicking faculty.

The game resulted in a glorious victory for Pappy's dear team. Emotions were tense in those last few minutes as our "SKINS" beat the aces in a double overtime.

With intense spirit and enthusiasm the 1968 Crimson wishes to congratulate the team on their brilliant and skilled teamwork!

The club's main money-making project is the preparation and distribution of programs for the home basketball games. The club used its surplus funds to purchase a linear air track for the G.H.S. science department. "Others" is the motto of the Goshen Chapter of the statewide Sunshine Society. The purpose of our society is to inspire high school girls to higher ideals and to spread sunshine and good cheer. We strive to achieve goals of charity, love, kindness, helpfulness, and giving intelligent service to our community.

The projects and activities include selling used books, an annual get acquainted picnic, auditorium programs for Thanksgiving and World Day of Prayer, Daddy Date Night, selling carnations on Valentine's Day, selling mums at Homecoming, Ideal Lady Tea, and Senior Girl's Breakfast. Also we sponsor an annual Easter Sunrise Service for the entire community.

This year we were the hostesses for the District II Sunshine Convention. The theme was "Windows of Gold" and we made a huge stained glass window for the stage. Approximately 400 girls came to G.H.S. to observe our Sunshine Society in action. This was the first time Goshen hosted the convention and each of us were proud to have a part in the adventure.

Another new project this year was sending Christmas cards and greetings to the resident of the Elkhart County Home.

Skins Tough

Have you ever wondered what a huddle is like?

This year's football team was hampered by the loss of key members due to graduation. Only seven returning lettermen greeted Coach Doba on August 15 for the first day of practice. Our undermanned team carried only 35 players but they were ready, willing and able to play a hard-hitting game of football. Due to squad size many of the B-team games had to be cancelled.

Kirk Sorg was voted Captain. Tom Goss received the award for mental attitude and the Jaycees' award for stars. Pat Vance was voted MVP, and received the John Stack award for most tackles and the best lineman award. Pat was also voted to the NIC conference team with honorable mention going to Tom Stump, Kirk Sorg, and Tom Goss.

As you can see this official is making sure he does not miss any of the action.

Goshen's Gary Cotherman and Lloyd LeCount pressure a Fairfield runner in the opening meet of the season.

GHS Cross-Country team experienced the best season in the school's history. The team compiled 12 wins while losing only to Elkhart by one point. This gave the harriers a second place in the NIC. A well-balanced attack was the key for the Redskins' success which led them to second in the sectional and sixth in the regional. Randy W. Miller broke the Concord course record, with a time of 10:07.

Lloyd LeCount won the MVP award, and Adrian Poscharscky won the Joe Swihart Award. Steve Cotherman won the Most Improved award. Cotherman and Poscharscky received patches for running over 600 miles during the summer.

Tennis Has Another Great Year

This year's tennis team posted a 7-1 record and placed second in the tough NIC losing only to conference champion, Laporte. A match with Central had to be cancelled because of weather, and they forfeited since it had no bearing on the final outcome. A tennis sectional was played this year, but no Goshen man was able to reach the finals.

Junior, Rex Lehman won the team tournament and Dave Culp was runner-up. Four year veteran Dave Culp was voted MVP.

Sophomore Tim Yoder showed marked improvement throughout the year.

Dave became the second all-time GHS scorer with 1,128 points and John set a game scoring record of 41 points against Clay.

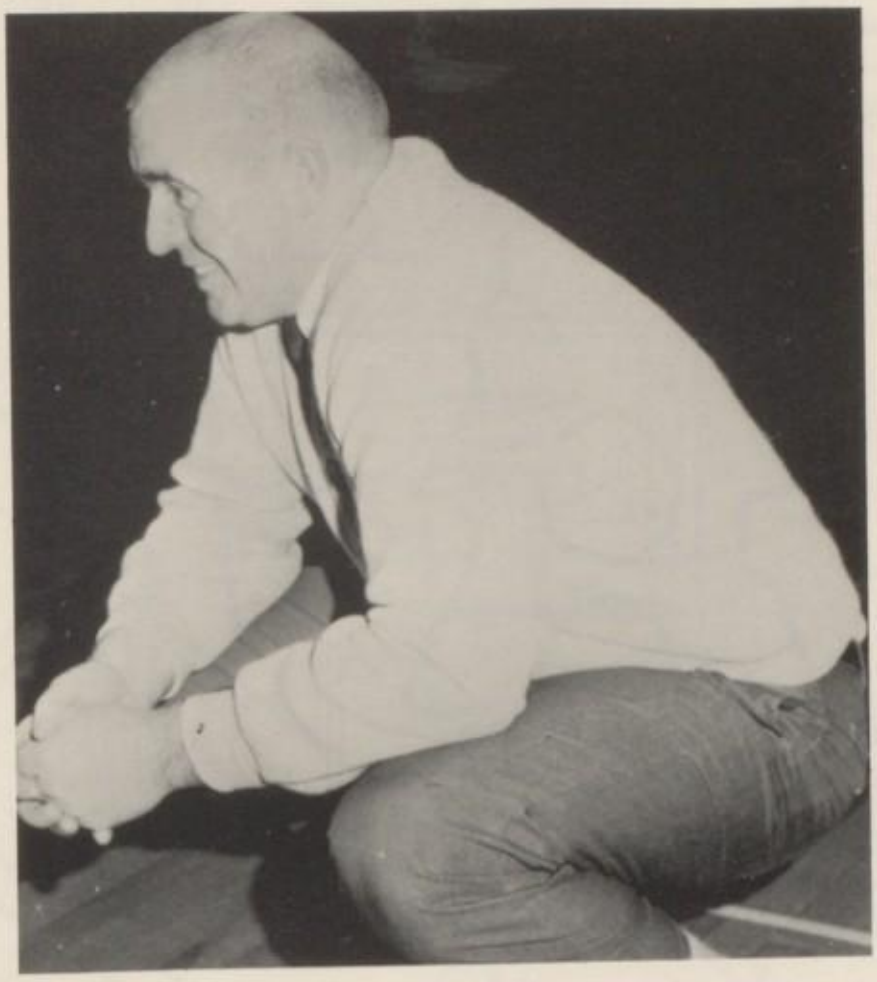
Action in Every Match!



Coach John Hemphill intently watches for mistakes.

Under first year Coach John Hemphill the Redskin Wrestlers posted a fine 7-5 season. Senior Doug Lung capped a brilliant four year record by winning the sectional crown and placing fourth in the regional. Another senior, Ken Neff, posted the best individual record for the 'skins and placed second in both the sectional and conference meets. Howard Delcamp had the quickest pin this season of 22 seconds.

This was the fifth consecutive year Goshen has had a winning season. With capable wrestlers like Wayne and Dale Hershberger, Ron Cooper, Tim Riley, Dave Ogle, and Kary Troyer returning, the young matmen should make it six.

Life — A Journey of Joy and Beauty

Our journey through life has barely begun. As Seniors, we have spent the past twelve years preparing to start this wonderful journey. Now a road filled with excitement and adventure lies before us. The way will not always be bright and we will all stumble at times, but we will pick ourselves up and continue our journey through life. Each one of us has many exciting days ahead of us. May we all have the courage and faith to keep striving for the goals we have all set for ourselves.

> There were many who went in huddled procession They knew not whither; But at any rate, success or calamity would attend them all in equality. There was one who sought a new road. He went into direful thickets, And ultimately died thus, alone; But they said he had courage.
